Why cooperate with us?

SAFETY - CAREFREE - TRUST - SUPPORT - PROFITABILITY

That is what you feel when you leave us your accounting problems and problems of editing documentation.

Poslovnapetka provides their clients custom designed **accounting, financial, business and tax services** since 2003.

THIS IS WHAT YOU GET:

- **100% support** (we prepare your data so they provide you quick business decisions)
- **100% control over your business** (regular (business balance analysis for 3 months)
- 100% **simplicity** (we get your documents)
- 50% **carefree** (arranged documents, free advices)
- 50% **good prices** (welcome pack*) first 2 months 50% OFF
- 20% **benefit** (because of the balance analysis)
- 10% **lower operating expenses** (with paperless digital operating)
- in a case of tax review we represent you in front of tax authorities.

As your authorized accountmen we take care that all of your business decisions are taken carefully and in your maximum benefit.
